I. CALL TO ORDER & ROLL CALL

II. WORK SESSION:

Chairman Hughes reviewed the changes that the Board had went over in the last work session. Everyone was in agreement that it looked good and was ready for their recommendations to be sent to the Board of Commissioners. The Board then brought up that they felt like the County should have a servers license put in place also. Chairman Hughes said he would look at Catoosa County's regulations and come up with something and that way it could all be turned into the Board of Commissioners at one time.
