Commissioner Stultz commented, "This Resolution is good for Walker County."

- II. Chairman Whitfield read Resolution R-008-21, A Resolution of the Board of Commissioners of Walker County to Authorize the Appointment of a total of Three Deputy Coroners. Chairman Whitfield explained that Coroner Billy Sims was away in training and couldn't attend the meeting. Commissioner Hart asked if anything within the budget would change. Chairman Whitfield explained that nothing changes, this is the number from our previous Coroner and the cost is a set by the state and remains the same as previously. Commissioner Hart made a motion to approve Resolution R-008-21 and the motion was seconded by Commissioner Blakemore, 4 ayes, 0 nays, motion carried and was approved.
- III. Chairman Whitfield discussed the agreement with Atlantic Coast Consulting, Inc for consulting services for the Walker County Landfill. Walker County has utilized their services for several years and they have a very good working relationship with our landfill. Commissioner Stultz made a motion to approve this agreement and the motion was seconded by Commissioner Hart, 4 ayes, 0 nays, motion carried and was approved.
- IV. Chairman Whitfield read the request of consideration of an appeal from Janet L. Pryor, who requested a variance for property located at 1860 Hog Jowl Road Chickamauga, GA 30707, Tax map & parcel number 0-261-033B. He asked if anyone was present either in favor or not in favor of this request. Blaine Broome, Ms. Pryor's grandson spoke in favor of the request. Mr. Broome stated that his grandmother Ms. Pryor wants to deed him two and a half acres of her property so he can help run their farm due to his grandfathers failing health. This request was denied by the Planning Commission on January 21, 2021. Ms. Pryor explained this property has been in their family for many years and if she has to deed five acres to Blaine Broome she would not have enough land to deed to each grandchild. Commissioner Hart stated that he attended the Planning Commission meeting on January 21, 2021 and even though there was a similar situation, it was closely the same but when we begin allowing starting chopping up property then we are going from farm to residential. He supports what she is asking for but as a county we have to protect the land. I am not against development but Walker County has to preserve the agriculture property. Commissioner Stultz stated that he supported farm land and it is special and to be preserved. We need to review the Ordinances. I agree that precedence set with the situation of failing health and as a board we need to approve this request. Commissioner Blakemore made a motion to approve two and a half acres and Commissioner Stultz seconded the motion, 3 ayes, 1 nay, motion carried to approve the request.
- V. Chairman Whitfield reviewed the Walker County Departmental Statistics for January 2021. He thanked Puckett for their services they provided Walker County and explained on February 1, 2021 at 7:00 AM CHI Memorial Ambulance went into service.
- VI. Commissioner Askew made a motion to go into Executive Session for Personnel matters; Commissioner Blakemore seconded the motion, 4 ayes, 0 nays and motion carried. Executive Session began at 7:34 PM
- VII. Chairman Whitfield called the Commissioners Meeting back to order from Executive Session at 8:40 PM, explaining no action items taken from Executive Session.

Chairman Whitfield again reviewed Resolution R-007-21 and asked if anyone would like to come to the front with any questions or comments pertaining to Walker County Business.

VI: Public Comment:

Mr. Gary Williams came forward to discuss being disappointed as to why Resolution R-007-21 wasn't posted online this evening prior to the meeting. Ms. Dana Cole came forward to express her disappointment and wondered why Mr. Burnfin was allowed to remain. Tyrone Davis came forward and asked if there were a list of Boards within Walker County. Who is the contact person to obtain a listing. Mr. Burnfin came forward with issues concerning Walker County. He explained that he doesn't hate anyone. He is an advocate of Abe Lincoln. Economic Development Director Robert Wardlaw came forward and stated that everyone is on the same team. Everyone has a right to speak and he finds this grandstanding and ridiculous. Commissioner Askew asked to speak and he explained that he is a big advocate for the first amendment. These are business meetings and we need to keep these meetings on topic and he asks the citizens of Walker County to keep the topics pertaining to business and development of Walker County. Stanley Stiles came forward and stated that he isn't a political person but during the campaign one commissioner comments hit home to him. The Commissioner stated that he supported all employees to have experience and education in the field of their job. When hiring new employees they should have the same requirements in doing day to day operations. Mr. Stiles asked if that still applied. Commissioner Hart stated, "Yes, it was him that made those statements and he still agrees with his comment. Commissioner Stultz stated, "Credentials, experience and education means a lot." Mr. Stiles thanked the board for allowing him time to speak.

VI. Commissioner Comments:

Chairman Whitfield asked if any of the Commissioners had any comments. Commissioner Blakemore thanked everyone and wanted to especially thank the employees. Commissioner Askew stated that he would like to thank the employees because it doesn't get done without them and thanked everyone for attending. Chairman Whitfield publicly apologized and stated, "We have taken several steps to keep situations not pertaining to Walker County business from happening as part of our past and move on to the future." He thanked everyone for participating in local government. Commissioner Hart stated that he agreed with everything said. He apologized and should have spoken up at the last meeting. He apologized to Mr. Marsh, Mr. Davis and every other African American. The Resolution passed tonight will help. He thanked everyone for coming out to be a part of County Government. Commissioner Stultz stated, "The comments that were made at the last meeting were inappropriate and wrong. These comments have no place in our meetings or our community and he should have spoken up. Moving

forward this isn't a sideshow and we are not here to give a History lesson." Commissioner Stultz thanked everyone for coming out.
